CANDLELIT CAROL SERVICE, OXHILL CHURCH

Tuesday 19th December 7.30 pm

Don't miss this wonderful opportunity to share Carols, readings, punch, mince pies and to hear the beautiful voices of the Benefice Choir. The church will be lit by lots of candles so remember to bring a torch, or candle in a jam jar so you can read the Carol Sheets. A lovely evening to start the Christmas Season.

DEANERY NEWS

December 3rd is Advent Sunday: across the Deanery this signals the start of our reflecting about the forthcoming birth of Jesus, his coming into our midst, and the waiting by a broken world for his presence. And that of course leads into to Christmas itself, so across our Villages there will be Travelling Nativities, Advent Carols Services, Nativity Plays, Crib Services, Carol Services and then the main services of Christmas Day. All are very welcome at these special events, so please do join us if you can.

After Christmas comes Candlemas at the beginning of February. To mark it, St. George's Church, Brailes, is hosting a Royal School of Church Music **'Come and Sing' Candlemas Eucharist on Saturday, February 3rd**. Anyone who enjoys singing is really welcome to come along and join in. All the music will be provided. Rehearsals (I think) begin at 2.30, and it will end in the early evening. Exact details will be available nearer the time.

Just after that, **Deanery Synod will be meeting in Pillerton Village Hall on Tuesday, February 6th at 7.30pm**. Our speaker will be Jerry Marshall, who is Chief Executive of Germinate: The Arthur rank Centre – a organisation committed to helping rural churches and rural communities to flourish. Jerry is a passionate and inspirational advocate of life in small rural churches, and it will be lovely to welcome him.

So, as Advent begins:

Light looked down
and saw darkness.
I will go there, said Light.

Peace looked down
and saw war.
I will go there, said Peace.

Love looked down
and saw hatred.
I will go there, said Love.

So he,
the Lord of Light,

the Prince of Peace,
the King of Love,
came down
and crept in
beside us.

John Bell from [Cloth for the Cradle](#)

As Christmas gets nearer, my profound thanks to everyone who has donated to the Carriers of Hope Appeal: the response has been amazing (what else do we expect from Oxhill). We have just taken a very full car-up, including the old Village Hall china and cutlery that has now been replaced (thanks again to someone's generosity) – so who knows where some of Oxhill will

end up. They asked us to thank the people of Oxhill very, very much.

Full details of our special Christmas services are elsewhere, but could I point out that **Sunday, December 3rd**, is **Advent Sunday**, when the Travelling Nativity will be launched around Whatcote and Oxhill at the special **Communion Service for Advent Sunday at 9.30am**.

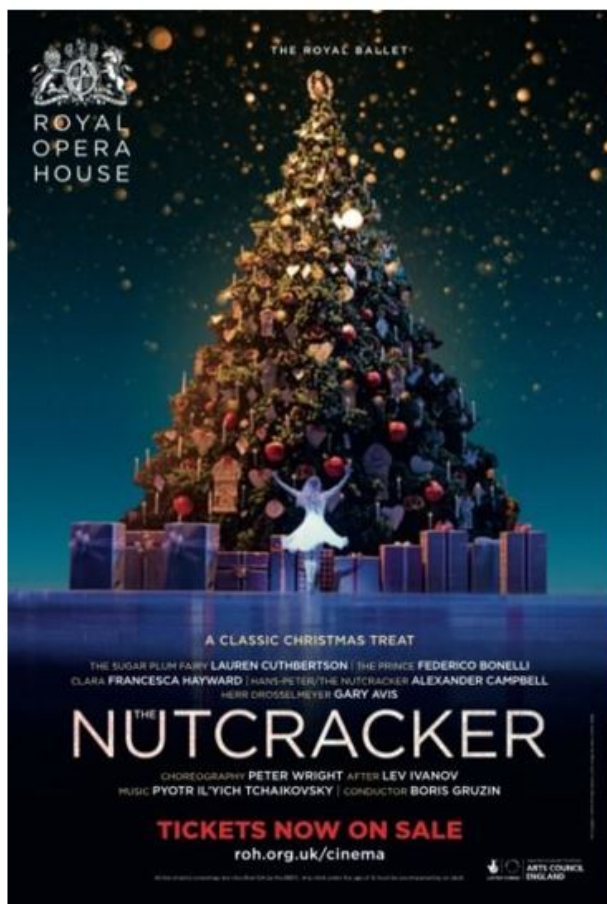

On **Sunday, December 10th**, it will be the **Village Nativity Service**, which will be held not in the Church but in **The Old Chapel at 9.30am**. There will be Carols and Christmas readings and a Nativity Play with the children, followed by cakes and drinks, and possibly a visit from ??????. All children are invited to join in: there is a non-compulsory rehearsal on the Friday, December 8th at 5.30 pm in The Old Chapel, or else just come in costume on the day. Absolutely no acting skills required! This is for everyone, so please do feel welcome.

Carols by Candlelight will be on Tuesday, December 19th at **7.30pm**, followed by mulled wine and mincepies, and on Christmas Morning, which is **Monday, December 25th** everyone is invited to celebrate together at the special Family Communion Service for Christmas morning, when the Travelling Nativity will be welcomed back into church.

Have a wonderful Christmas, celebrating the good news that God is with us.

Every blessing, Jill

MACMILLAN CANCER SUPPORT

Many thanks to everyone who supported my MCS Coffee Morning and Sale held in Lower Tysoe in November. It was a great success and although the money has not been counted accurately yet I think we have raised in excess of £2000 ,after expenses.

Thanks go to all those who donated money, we have received over £250 and more promised. Thanks to Beki for organising the printing and half the funding of the Macmillan Christmas cards (designed by Eileen man) The cards will have raised around £170 when all the proceeds are in.

Should you wish to donate please give me a call.

Also thanks go to all those who contributed to the sale ie cakes, gifts etc, to Jenny Down for all the lovely flower arrangements and all the local traders who donated raffle prizes.

A really big thank you goes to my wonderful team of helpers without you we couldn't have done it.

My husband, Alan, has had a really hard time since finishing his radiotherapy in October, but seems to have turned a corner and hopefully he will get his voice back soon (he is having speech therapy with his MACMILLAN team) Lets hope he will be much better by the end of the year.

21/11/2017 Farmers warned to beware of rogue tarmac gangs

21-11-2017 09:43 AM GMT

Farmers are warned to beware of rogue tarmac gangs targeting their premises. The gangs either door knock or more recently (and in a new twist to an old scam) phone the farm and claim they have some left over tarmac they want to get rid of. They imply that they would rather tip the tarmac on the farm driveway to cover a few potholes as a favour, rather than have to dispose of it. If the farmer agrees, the rogue gang arrive quickly, spread the tarmac and then demand thousands of pounds with menaces!

Oxhill Garden Club

Our November meeting heard Derek Bull talk about Reluctant Gardening. Derek is a long term volunteer at Hidcote Manor Garden and his talk showed many aspects of Hidcote through the seasons. On the basis of little work and maximum return, we were urged to mow up leaves to create leaf mould and mulch nearly everything to conserve moisture and prevent weeds. Planting things close together and using grit as a surface dressing also helped stop weeds. But weeding little and often saved lots of time in the long run.. Examples of drought resistant plants and hardy perennials to save time and effort were given. A glass of wine when pruning was recommended ! Why ? It just made the job more pleasurable.

Hidcote Manor Garden

Our Christmas Party on 7th December is now fully booked, but please make a note of the January 11th meeting. When Pauline Pears will be talking about her Desert Island Vegetables - intriguing ! Visitors, as always, are welcome.

TYSOE CHURCH OF ENGLAND PRIMARY SCHOOL

The children were very excited to welcome Dominick Cunningham, a top GB gymnast, to demonstrate his talents and lead a fitness workshop. He inspired the children with his passion for training for a place at the 2020 Olympic Games in Tokyo. He also stressed the need to show perseverance in all areas of sport. A sponsored event proved very popular, with a total of £1300 raised to purchase sports equipment for school and to sponsor the GB athlete programme.

Training session led by Gymnast Dominick Cunningham

Recently the whole school had a week of practical maths and reasoning skills which produced great displays of work. We also hosted an Architecture Workshop when all the children participated in different activities to learn about building structures. The younger children had fun constructing tetrahedrons. They worked together and even managed to all sit inside their framework. The children learnt about the strength of different shapes and used technical mathematical language. Rowan and Silver Birch made large octahedrons which stacked to almost reach the hall ceiling! Willow Class used new skills to work in teams and create amazing bridges.

Building Bridges in the Architect Project

We continue to participate in community events which included Year 1 visiting the Kendrick Homes building site in the village, to see the dramatic unveiling of the winning safety poster designed by Poppy. On another occasion, the oldest children took part in a Remembrance Service at the war memorial led by Canon Moffatt. The children had all created a poppy tribute which was laid and the children read poems and prayers that they had written.

Please join us in the Tysoe Village Hall on Saturday 2nd December 1 - 3pm for our Christmas Fair. Visits to view the school are always welcome. Contact Mrs Horrocks on 01295 680244

URGENT CHRISTMAS APPEAL

We have been fortunate in that one of the villagers has provided the village with a battery operated Defibrillator for free and will arrange training in its use, also free but what we do not have is a cabinet to store it in. The plan is to site the cabinet on the wall of the Peacock Pub and it will be locked with a 'code pad' and all villagers will be provided with the code to unlock it.

The cost of a suitable, weatherproof cabinet is approximately £550, including VAT so we are looking for donations from as many people in the village as possible to cover this cost. When we have raised sufficient cash, the Parish Council will buy the cabinet and install it at no cost to the village.

How do you make a donation? Well there will be collection 'tins' at all forthcoming events up to Christmas. We are planning a fund-raising quiz for 19 January (see next month's News) and you can always put a cheque or some money through the letterbox of one of the Parish Councillors, names and addresses are shown below:

Grenville Moore – Peacock Cottage, Main Street; Derek Harbour – Laurel Cottage, Blackford Way; Duncan Harper, Hillox House, Whatcote Road or Stuart Whittaker, The Stables, off Rouse Lane.

We have been fortunate to be given this 'lifesaver' at no cost, the least we can do as a community is to pay for a cabinet to properly house it!

CAROLS BY CANDLELIGHT

A magical setting in the lonely Victorian church on Winderton Hill

Join us for another atmospheric and truly authentic Victorian evening of song and music as Winderton Church opens its historic doors.

Since its closure in the 1970's the church has been rarely used. It's dark, on a hill and windy but it will be filled with candle light as we prepare for Christmas.

Join us for a memorable evening of song and experience how the coming of Christmas would have been celebrated 100 years ago

Sunday 10th Dec 6pm

Wrap up warm and bring a torch for the path

Because of overwhelming demand last year we are asking for you to pick up tickets for entry so we can control numbers. Tickets are free but please collect from Baldwins Newsagents in Brailes or Tysoe Stores. Donations please to raise funds for the upkeep of the church and for mulled wine and mince pies. There will be a limited number of tickets on the door on the night. If you can't collect tickets please call Carole Foster 07341 070774 and they will be allocated for you to collect on the night as you come in.

JUBILATE

STOUR SINGERS' DECEMBER CONCERT

Singing carols together in December is one of the lovely features of Christmas time, and you are invited to do just that at Stour Singers' concert on 9th December in St. Edmund's Church. The carols complement the choir's performance of Bach's Cantata "Gloria in Excelsis Deo", and Kuhnau's "Uns Ist Ein Kind Geboren". Soprano soloist, Robyn Allegra Parton returns to us to sing Mozart's glorious "Exsultate Jubilate" – pure joy!

Stour Singers have cemented their collaboration with the Birmingham Conservatoire- based Queen's Park Sinfonia, who return to play for this concert. Two soloists from the conservatoire take the tenor and mezzo-soprano roles in this performance, together with bass baritone Alistair Donaghue, who made his debut with Stour Singers in Handel's Saul in May this year.

Richard Emms started this choir 42 years ago now, and continues to wield the baton, and manage the 80 or so singers, to bring together some very expressive and enjoyable performances. The choir would love to see you at their concert on 9th December, at 7.30.p.m. in St. Edmund's Church, Shipston. Tickets cost just £12.50, and are available from R. Clarke in Shipston's High Street, or on the door. There is no charge to accompanied children.

The Singers enjoy their carols greatly, and will be visiting both Ellen Badger Hospital and Low Furlong Residential Home to sing for and with the patients and residents on Thursday evening 14th December.

If you would like to know more about Stour Singers, or to join us, do get in touch with Yvonne Ridley, choir coordinator, on 01789 269587. Next May's concert will be Faure's Requiem and Rutter's Magnificat.

WOT2Grow Community Orchard

We are well into the end of the year work at the orchard. The apples are all picked, the summer raspberries ready for next year, the weeding is under way and the grease is round the trees to catch the winter moths.

We are ready to plant some new autumn raspberry canes which should ensure we have a good crop next year and replace some of the old canes which are diseased. The new lined beds had the soil removed and replaced with screened top soil and compost so it hopefully will be a great growing environment.

All that we do now makes sure we have fruit next year so it is really important.

Big beautiful Medlars ripening

WAES HAEL DRINK HAEL!!!

Yes we will be holding the Wassail ceremony at the orchard on Saturday 20th January 2018 from 4:30pm onwards. The traditions will be observed and there will be lots of singing and keeping warm around the big bonfire accompanied by food and drink! For the first time we will have live music and Morris dancing!! Do reserve the date and watch out for posters with the details! It is suitable for all ages so come along with the whole family.

So do come along to see us, maybe help out, and enjoy your community orchard behind the allotments along the Shenington Road in Tysoe! Why not join us and enjoy the fruit we grow.

Contact one of us for more information : Liz Atkinson (680045), Paul Sayer (680451), Sue and Mike Sanderson (688080) or see the website www.wot2grow.co.uk
