# OXHILL LADIES QUIZ NIGHT AT THE PEACOCK

A fun, loud, brilliant and sold out night at the pub in support of the Oxhill Ladies (who are not all from Oxhill) for their gargantuan 26 mile MACMILLAN MIGHTY HIKE in mid July. If you haven't already donated to this amazing cause, stop in at the pub and drop your change (or better yet, a couple of notes) into the donation box at the bar. Any amount you donate is greatly appreciated!

*Ed offered his gardening services up for auction and lucky Myrtle placed the winning bid.*

## ANN HALE

Ann Hale died peacefully at home in Payn's House on 20 May with her family around her. She and Peter had been living there since 1975 and brought up their sons William and Daniel in the village.

Ann worked in social services in Banbury and Shipston, and after retirement spent much time researching the history of Oxhill church and village, publishing a number of articles in the Oxhill News. She also co-edited the Oxhill News for several years in the late 70s and early 80s.

The funeral will be at St Lawrence's on Tuesday, 6th June at 2:00 pm, and all are very welcome.

Donations for Shipston Home Nursing c/o R. Locke and Son, Caution Corner, Brailes, OX15 5AZ.

*~ William Hale*

**Ann loved history.** She told stories about our wonderful village dating back centuries. I loved listening to her stories, she made history come alive.

Ann was a beautiful woman. She was calm, kind, caring and a joy to spend time with - she knew so much and yet was interested in learning more.

Fortunately we still have Ann with us in the wonderful articles she wrote for the Oxhill News. Over time we will publish them all. This month read about stoning the roads to Oxhill...

## VILLAGE HISTORY - ROADMAKING

Now that we have a new road surface on the road to Whatcote, it is intriguing to find, in the Oxhill Vestry Minute Book, that in 1878 ratepayers weren't too keen on shelling out for roadmaking. The Vestry Meeting in September, 1878 declared that the Bridleway from Oxhill to Whatcote and Fulready was as good as ever it has been for the last 20 years, and that it did not need to be

stoned. Moreover if the Highways Board insisted on it, the ratepayers would appeal to Quarter Sessions. (The Rector however dissented. Mr Macy always comes across as a strictly Establishment man!).

I assume that although referred to as a bridleway, it is our road – then an unfenced cart road – that is meant. Whether or not the ratepayers of Oxhill ever took their case to Quarter Sessions I do not know, but if so it must have been a losing battle, as at this period there was a comprehensive programme of stoning the roads being undertaken. Margaret Ashby in her book on her father Joseph Ashby of Tysoe, describes how her father was employed as a road stone-breaker in the 1880s – seasonal work for autumn and early spring which fitted well with his work on his smallholding. Hartshill stone was used, a harder stone than Hornton, and difficult to work. Miss Ashby describes how the new roads would shine in February like long white ribbons, when the old brown ones would still have been ankle-deep in mud.

In our barn at Payn's House we inherited several stone-breakers' hammers, with small egg-shaped heads and slender, slightly flexible (though now much decayed) handles. I imagine that someone from Payn's House – (the house was sub-divided in the late 1880s) - also took part in this seasonal work, and, like Joseph Ashby, successfully combined this with work on the land.

# OXHILL VILLAGE HALL UPCOMING EVENTS AND NEWS

## Report of the AGM

Fifteen people attended the Village Hall AGM on 2 May and heard from the Chairman, Stuart Whittaker, that the committee had attempted some new events during the past 12 months to develop the hall's appeal. The Paella Night (which ran again last month) was probably the only successful one in terms of attendance numbers, Stuart reported.

However, regular events including the curry night, Boules and the cocktail event before Christmas are always well supported, and it is good to see that various groups continue to make good use of the hall for their activities including the growing use by young families, and private hire of the hall.

Stuart outlined how the hall had been maintained and improved to make it as comfortable and welcoming as possible, accepting its peculiarities as a former village school. The next work to be carried out is to replace the inside of the main hall roof which will address issues including occasional leaks.

He thanked the committee members for their support, and not least Gill Stewart who although technically not on the committee, assists with agendas and meeting minutes as Minutes Secretary. He said the Oxhill Quarterly Meetings involving the Village Hall, the Church and the Parish Council had proved useful in co-ordinating larger village-wide events including the forthcoming Scarecrow Weekend.

Stuart urged villagers to keep supporting the village hall over the next 12 months to ensure it continues to thrive. He confirmed he will continue as Chairman for a further year, while joining the committee this next year – who we heartily welcome – are Ali Sayer and Jo Collings, although sadly we say goodbye to Lisa Connolly and Heather Bridgman who are stepping down – thank you for your contribution!

The 2017/18 committee members are:

Stuart Whittaker - Chairman  
Karen Barker - Vice Chairman  
John McKail - Treasurer

John McKail, as Treasurer, reported that the village hall income (as at 31 March 2017) was £5,865.88 (includes lettings, events and private functions etc), while expenditure was £4,594.35 (includes utility costs, insurance, cleaning, maintenance, new equipment etc). This produced a surplus of £1,271.53.

Income increased by about £1,000 on the previous year, thanks largely to a longer letting period now the heating of the hall has been improved. Meanwhile, the Village Christmas lunch for our senior villagers, although a free event, brought in very generous donations.

The committee will be spending about £3,000 on the roof repair work with money allocated from the general fund.

It was stressed that in addition to the committee there are a number of invaluable 'Friends of the Village Hall' who also contribute to its success. Although they don't partake in the regular running of the hall through committee participation, they help by keeping the flower beds looking good or cook for events, for example. Indeed, cooks are always welcome, for which expenses are reimbursed for ingredients used. Please let a committee member know if you would like to cook for an event.

### **Saturday 24 June - Family Barbecue and Games/Making Scarecrows**

To coincide with the scarecrow making on 24 June (when straw and some old clothing will be available from Phil and Heather Brennan's garage at Bilton Cottage on Main Street from 1pm), the Village Hall will be marking the activity by hosting a family barbecue and games from 4pm at the Village Hall.

The food costs at the barbecue are:

Burger and bun with salads - £5

Hot dog in roll with salads - £2.50

Soft and alcoholic drinks will be available for sale.

**Please could you let Ali Sayer know asap on 680451 if you would like to attend the barbecue and games, with the number in your party.**

If you don't wish to join the barbecue and games, you are still welcome to take some of the donated straw/old clothing to make your scarecrow.

**Coming soon...**

### **Sunday 16 July - Boules competition**

With the presidential elections over, attention turns again to another popular French pastime, of Le Jeu de Boules (not that it went away judging by the reduced turnout).

Join us for Oxhill's celebration of this classic communal game, when there will be authentic French food and keen competition as always to win the prestigious Gardner's Cup. The event will be getting underway from 12.30pm.

More details in the next Oxhill News.

## DEANERY NEWS

There may just be time to remind you of **Ascension Day**, when we get together as a Deanery for the Ascension Day Eucharist, on Thursday, May 25th, and our service will be in Oxhill Church at 7.30 pm. If the weather is kind to us, we shall begin outside. Our speaker this year will be Rev. Tim Mitchell, who is becoming familiar to people as the Healthy Churches Development Mentor.

Our final gathering of this liturgical year before the summer will be the **Deanery Synod on Tuesday, June 6th at 7.30pm**. Alice Farnhill is coming to speak about the work of the Community of the Cross of Nails, and appropriately we are meeting in Ilmington School, which is a Cross of Nails School. We look forward to seeing you there, and welcoming anyone who would like to hear about this world-wide branch of the ministry of Coventry Cathedral.

At the end of June we will be delighted to welcome Revd. George Heighton and his wife Drina to Brailes, Sutton-under-Brailes, Tysoe, Oxhill and Whatcote. The formal service of Collation by the Bishop of Coventry will take place on **Wednesday, June 28th at 7.30pm** – more details next month. In the meantime, please do pray for them both as they prepare to leave Coventry and move here.

I am also delighted to announce the appointment of the Revd. Sharon Goble to be Rector of the Stourdene Benefice (i.e. the churches of Ettington, Pillerton Priors, Butlers Marston, Halford, Alderminster and Newbold). **Sharon is, at present, Priest-in-Charge of the Parishes of Stoneleigh and Ashow and it is hoped that the Institution, Induction & Installation will take place towards the end of August. Again, please pray for Sharon as she prepares for the move.**

*Blessings,

## *Oxhill Garden Club*

The annual Plant Sale took place on Thursday 18th May. Floral tablecloths set the scene for the delivery from 6.30pm onward of an amazing variety of annuals, perennials, herbs, shrubs and vegetables in the making – all labelled and priced for sale. On the stroke of seven, the official opening time, there was a rush of bargain hunters seeking that unusual variety for a particular spot in the garden or, in bulk, plants for a newly dug bed. Tomato and pepper plants were snapped up quickly as were current and gooseberry bushes. Suffice it to say, by seven thirty the tables were bare and latecomers disappointed.

The takings for the evening were in excess of £100 but this doesn't reflect the essential 'bring and share' nature of the event. The overcast sky and light drizzle didn't dampen spirits and advice and garden lore was freely exchanged. Both sellers and purchasers went away happy.

# **NOTES OF THE OXHILL ANNUAL PARISH COUNCIL MEETING HELD ON TUESDAY 9th MAY 2017 AT 7.30 P.M. IN THE VILLAGE HALL**

## **Parish Councillors:**

Grenville Moore – Chairman

Derek Harbour– Vice Chairman

Sue Hunt, Stuart Whittaker, Duncan Harper – Parish Councillors

## **MATTERS RAISED**

### **The Dumping of waste/ woodchip on local fields**

It has been noted that there continues to be the dumping of materials including woodchip on fields along the track off the Whatcote Road. There has also a high volume of vehicles in this area thought to be increasing the quantity of the materials piled there. The Environment Officer for the West Midlands has been in contact with the Chairperson seeking information on this matter. The Chairperson will confirm details with members of the community and respond with the appropriate information.

There were no further matters raised.

### **Election**

Although Councillor Moore has stood as Chairperson for longer than the required term of office, he has been an exemplary Chairperson and it is considered that for continuity with the Leys Field development it would be beneficial for him to continue in this role. It is considered that his style has been beneficial in dealing with a difficult situation. Proposed by Sue Hunt and seconded by Duncan Harper. Councillor Moore accepted this proposal and so remains Chairperson.

It was also felt that for continuity that Councillor harbour also stayed in role as Vice Chairperson Proposed by Sue Hunt and seconded by Duncan Harper. Councillor Harbour also accepted and continues in role.

### **Minutes of a meeting of Oxhill Parish Council held on Tuesday 9th May at 8.00pm in the Village Hall.**

The meeting, chaired by Grenville Moore was attended by Councillors Duncan Harper, Derek Harbour and Sue Hunt, apologies were received from Stuart

Whittaker. Two members of the public attended. Councillor John Fielding, Ward Member for Red Horse also attended

**Minutes** – Minutes of the previous meeting were read, agreed and signed.

### **Matters arising**

#### **Plot 3 Green Lane**

A presentation was given by Andy Murphy from Stansgate Homes and Pierre Detoit the architect which proposed the development of 2 ‘smaller’ homes on Plot 3 Green Lane. The proposed properties would have the same foot print of the single dwelling that has planning permission. The properties would have 4 or 4.5 bedrooms and would have a space of at least 1m on the existing boundary the existing property on Green Lane and plot 2 and would be detached. Although the Parish Council thought that the materials that were proposed would fit with the nature of other properties on the Green Lane, there was a question on whether the plot was of a sufficient size to accommodate 2 properties rather than one and to not look over crowded. The Parish Council also brought both the Parish Plan and the More recent Housing needs survey to the attention Stansgate which clearly states that cheaper smaller homes are identified as being needed rather than larger more expensive homes that exclude locals. It was also pointed out that although Oxhill has been designated for 32 new homes currently the village is looking at a total of 35 which is exceeding the required amount. There was also concern raised about a further increase of traffic onto the narrow highway which already see significant amounts of traffic, this will be set to increase further as the already planned dwellings are built and inhabited. The Parish Council ask the developer to mark out the proposed properties and single access to see how they would fit into the plot and expressed their concerns about the proposal.

**Speeding radar-** The cost of having an automated radar device monitoring the speed of vehicles passing through the village is £252.09 +VAT (as last quoted) for a single site. At the moment the Parish Council funds are committed, the Parish Council will look further into financing this and identify possible sites on the Whatcote Road and Green Lane.

**Footpath Bridge** – The Bridge on the footpath leading from the Church Orchard has been allocated a works number but no work has to date been carried out. Footpaths will be contacted again.

### **Finance**

**Insurance** – A quote has been received from Zurich this is slightly less than last year and therefore it was proposed by Grenville Moore and Seconded by Sue Hunt that this be accepted.

**Internal Audit** – The Parish Council accounts have been internally audited by Mr McKail and will now be sent to the external auditors before being made public and being put on the website. A payment of £30 was made to Mr McKail for this service, proposed by Grenville Moore and seconded by Sue Hun

**Email and website quarterly charge**- A payment of £19.76 was made for this. Proposed by Duncan Harper and seconded by Derek Harbour.

### **Correspondence**

**The Great Get Together** – The Great Get Together will take place nationally over the weekend of 17<sup>th</sup> and 18<sup>th</sup> June in memory of Jo Cox's who was murdered a year ago on 16<sup>th</sup> June. The Department for Communities and Local Government has a link for communities wishing to hold a street party or similar event found at: <https://www.gov.uk/government/publications/your-guide-to-organising-a-street-party> and information for those wishing to host a Great Get Together event or to find out what is happening in their area can be found at [www.greatgettogether.org](http://www.greatgettogether.org).

### **Any other Business**

**Oxhill News**– The Parish Council would like to draw the communities attention to the cost of printing the Oxhill News annually which is currently in the region of £600. This is a valuable resource for the village and contains information about what is happening in our community.

**Dog Fouling** – It has been noted that the dog fouling in the village has reduced significantly, however several incidences of 'poo bags' being left on grass verges or in the hedge have been noted. Please make sure that you take them home and that they are disposed of correctly. The Parish Council will look into the cost of providing bins in strategic places and emptying them.

Horton Hospital- Councillor Jon Fielding informed the Parish Council that there will be a Judicial review later in the year as it is believed that the consultation has not been carried out correctly. There will be changes to Stratford, Warwick and Coventry Hospitals to counteract the changes to services at the Horton with particular reference to maternity services.

There being no other business the meeting closed at 9.00 pm. Date of the next meeting 11th July 8.00pm in the Village Hall.

### **OXHILL VS TYSOE CRICKET MATCH**

Don't miss the annual cricket match between Oxhill and Tysoe which takes place on Sunday 20th August (the day after the Tysoe Flower Show). Last year the weather won, but Oxhill are keen to get their revenge for the narrow defeat in 2015.

## TYSOE OPEN GARDENS

3 & 4 June 2017

2pm – 6pm. Adults £6

A group of 11 gardens in Upper and Middle Tysoe are opening in aid of the National Gardens Scheme. The NGS is a charity which raises money through opening mainly private gardens for its beneficial charities such as Macmillan Cancer Support, Marie Curie, Help the Hospices (of which Shipston Home Nursing is a beneficiary) and other caring charities. The NGS is the main donor to Macmillans and Marie Curie. In 2016 £2.7M was donated to its beneficiaries, all in the caring sector. An incredible 82p in every pound received from visitors to our gardens goes directly to the charities we support. There are over 3,300 gardens that open in England and Wales, either individually or in a group such as Tysoe. The NGS is run almost entirely by volunteers who give up their time and work hard, either in the garden or administratively, for the pleasure of letting other people enjoy their gardens and raise money for those charities so desperately needing our help. . There will be delicious homemade teas and plants for sale in the village hall along with some classic cars on view for your enjoyment.

Other NGS garden openings near you:

Sat 10th & Sun 11th June : Weston-under-Wetherley

Sun 18th: Honington, Whichford & Ascott

Sat 24th & Sun 25th: Ilmington, Welford-on-Avon

One of our main beneficiaries, Macmillans Cancer Care, will be supporting us at this event.

# Tysoe Church of England Primary School

We are delighted with the outcome of the SIAMS Church Inspection carried out at the end of March and the full report is now available on the school website at <http://www.tysoe.warwickshire.sch.uk/>. The inspector recognised that Tysoe is a 'happy and successful school' and awarded it an overall grade of Good, with Outstanding for the 'effectiveness of leadership and management'.

Each term a wide range of after school clubs is offered both by the teachers volunteering to run a club and by paid specialist coaches. This term the choice is varied, including sports clubs of gymnastics, football, and orienteering and, for the younger children, team games. There are also creative clubs for those interested in art, gardening and sewing.

*Reception Class learn how to care for pets*

The youngest children in the Reception class have had a focus on pets and welcomed several visitors into school, including the return of the class hens, back into the outdoor area after the bird flu restrictions. The children have also been learning about caring for pets and were very excited to have a visit from guinea pigs and a puppy although not at the same time!

Sporting achievements include success at the Stratford Swimming Gala Area Finals in which four Year 4 children were a credit to the school, with their

perseverance and encouragement of each other, as they bravely competed in the older age category. We look forward to again being involved with the Aviva Women's Cycle Tour as Stage 3 comes through the village on 9th June. Children have entered the competition to design the trophy for the stage win and we are planning for the whole school to watch the event.

Prospective parents are most welcome to visit, just contact the office on 01295-680244.

**Friday 23rdth June 10.30 – 12noon: Carers4Carers meeting at Kinton Village Hall.**

Come and relax with a coffee and a chat. Kate, an occupational therapist, will be talking about aids, adaptations and independent living. We can look after your loved one in our Companionship Group while you attend the meeting; please request this in advance.

## **TYSOE WOMEN'S INSTITUTE**

We enjoyed a good meeting in May and have welcomed five new members and one returning member throughout May.

We had a great day out in Cheltenham and will be organising another shopping trip later in the year. There was much hilarity on the mini bus, must have been all that retail therapy!

June 8th. sees us visiting Laskett gardens, the home of Sir Roy Strong, and dining out at the Indian Queen on Friday 23rd.

For our June meeting on the 7th we are visiting our speaker, The Sculptor James Butler at his studio in Radway.

Plans are well under way for our church service on July 2nd. Lots more information next month.

## WOT2Grow Community Orchard

At last we got some rain in May! We needed a good soaking to help all the trees and plants and after some beautiful blossom the fruitlets need as much water as possible. The frosts had very little effect on the apple trees but the pears and all the stone fruit really caught the blast, blossom was blasted and young leaves turned brown so hope we get some fruit.

All the soft fruit looks good apart from the summer raspberries and the Joan J autumn raspberries. The problem is the phytophthora disease which is carried through water in the soil and there is no known cure. It will eventually kill the canes so we are looking at alternative positions and methods of cultivation.

We have done a lot of feeding and mulching and most of it is complete. The sprays seem to have worked on the apple trees but due to the wind we were unable to spray the plums, damsons and greengages which are now showing signs of aphid. The trees are too big to rely on squishing!

The photography workshop was a great success and although it was a terribly cold May morning a lot of information was received and some great photos taken. Our leader Ian was excellent and helped everyone to get camera/phone settings right in order to take better photos as well as giving lots of hints on composition.

Tea, coffee and cakes helped to keep us going!

We have made more comfrey feed, cut back thistles and nettles, continued weeding but plenty still to do like tidying up the sensory garden and tending the bees. It is a beautiful open space and so peaceful so why not come and help us?
